Medication guidelines

Your medical information and health history are significant in helping us make an informed policy-approval decision. That information includes a check of the medicines you may be taking — whether by prescription or over the counter.

The following medications are typically used to treat a variety of serious health issues. Taking any of these medications can result in a decline decision. Note that this list is not all-inclusive. Although medications are listed by brand name, their generic equivalent would also render ineligibility.

The guidelines listed are not meant to be all-inclusive. Due to the complexity of individual case medical histories, multiple comorbid medical conditions could result in a decline or postponed decision even if not listed here. Underwriting will decide based on the information provided in the interview. If you have any questions about qualification based on your medical history, contact your financial professional for guidance.

If you are going to proceed with submitting an application, please review the Personal History Interview instructions. This document will help you prepare for the Personal History Interview.

Insurance products issued by:

The Lincoln National Life Insurance Company, Fort Wayne, IN

Distributor:

Lincoln Financial Distributors, Inc.

Important Information:

Lincoln variable universal life insurance is sold by prospectus. Carefully consider the investment objectives, risks, and charges and expenses of the policy and its underlying investment options. This and other important information can be found in the prospectus for the variable universal life policy and the prospectuses for the underlying investment options. Prospectuses are available upon request and should be read carefully before investing or sending money. For current prospectuses, please call 800-444-2363 or go to www.LincolnFinancial.com.

With variable products, policy values will fluctuate and are subject to market risk and to possible loss of principal.

Products, riders and features are subject to state availability. Limitations and exclusions apply.

Lincoln Financial Group® affiliates, their distributors, and their respective employees, representatives and/or insurance agents do not provide tax, accounting or legal advice. Please consult an independent professional as to any tax, accounting or legal statements made herein.

All guarantees and benefits of the insurance policy are subject to the claims-paying ability of the issuing insurance company. They are not backed by the broker-dealer and/or insurance agency selling the policy, or any affiliates of those entities other than the issuing company affiliates, and none makes any representations or guarantees regarding the claims-paying ability of the issuer.

MoneyGuard Market Advantage® is a variable universal life insurance policy with a Long-Term Care Benefits Rider (LTCBR) that accelerates the specified amount of death benefit to pay for covered long-term care expenses and continues long-term care benefit payments after the entire specified amount of death benefit has been paid. Any surrender benefit provided will be adjusted by any loans/loan interest/loan repayments, withdrawals taken, and claim payments made. The cost of riders will be deducted monthly from the policy accumulation value. The insurance policy and riders have limitations, exclusions and reductions. Renewability, Termination and Cancelability: The LTCBR is noncancelable. This means you have the right, subject to the terms of your policy and rider(s), to continue this rider as long as your policy stays in-force. The Lincoln National Life Insurance Company cannot change any of the terms of your policy and rider(s) on its own and cannot increase the monthly rider charges or monthly inflation charges. If your policy enters a grace period, we will allow 61 days to pay a premium sufficient to prevent your policy from lapsing. The Long-Term Care Benefit Rider may not cover all costs associated with long-term care costs incurred by the insured during the coverage period. All contract provisions, including limitations and exclusions, should be carefully reviewed by the owner. For costs and complete coverage details, contact your financial professional.
