Account level charges would reduce the performance shown. Quoted performance data represents past performance; past performance does not guarantee or predict future performance. Current performance may be lower or higher than the performance data quoted. Investment return and principal value of an investment will fluctuate so that an investor's account values, when sold, may be worth more or less than their original cost. To obtain performance information current to the most recent month-end, a prospectus, or summary prospectus, go to www.LincolnFinancial.com or call 888-868-2583. Investors should consider a fund's investment objective, risks, charges and expenses before investing. The fund prospectus and, if available, the summary prospectus contain this and other important information. Read them carefully before investing.

Total return reflects performance without adjusting for sales charges or the effects of taxation, and assumes reinvestment of dividends and capital gains.
