A fixed indexed annuity is intended for retirement or other long-term needs. It is intended for a person who has sufficient cash or other liquid assets for living expenses and other unexpected emergencies, such as medical expenses. A fixed indexed annuity is not a registered security or stock market investment and does not directly participate in any stock or equity investments, or index.

*Lincoln Core Capital*® fixed indexed annuity (contract form ICC17-622 and state variations) is issued by The Lincoln National Life Insurance Company, Fort Wayne, IN, and distributed by Lincoln Financial Distributors, Inc., a broker-dealer. **The Lincoln National Life Insurance Company does not solicit business in the state of New York, nor is it authorized to do so. Contractual obligations are subject to the claims-paying ability of The Lincoln National Life Insurance Company.**

This annuity does not participate directly in any stock or equity investment and does not include the purchase of shares of stock or an index. The indexed accounts use an outside market index as a benchmark for determining indexed account earnings. Any dividends paid on the stocks on which the index is based do not increase the annuity earnings. All payments and values provided by the contract, when based on performance of the indexed account, are not guaranteed to be equivalent to the benchmarking index. The composition of the index and the methodology used by the index to calculate its performance are not guaranteed and may be changed at any time by the index provider.

Waiver of Surrender Charges for Nursing Home Confinement Rider and Waiver of Surrender Charges for Terminal Illness Rider (form AE-119 (Rev 11/13) and form AE-170 (Rev 10/07), respectively, and state variations) may not be available in all states. Nursing Home Confinement Rider not available for contracts issued in Massachusetts.

The exact terms of the annuity are contained in the contracts and any attached riders, endorsements and amendments, which will control the issuing company's contractual obligations. For more information about the annuity, please also read the Client Guide and Disclosure Statement, or contact your Lincoln representative.

Income taxes are due upon withdrawal and if withdrawn before age 59½, an additional 10% federal tax may apply. Withdrawals and surrenders may be subject to surrender charges and a Market Value Adjustment.

There is no additional tax-deferral benefit for contracts purchased in an IRA or other tax-qualified plan, since they are already afforded tax-deferred status.
