Lincoln WellnessPATH®

Your path to financial wellness

Wellness isn't just about physical health. There are emotional and financial components, too. Whether you want to save more or need to pay off debt, getting your finances in order can have an impact on your overall well-being. It can help you move forward with confidence and be ready for whatever life brings. That's where Lincoln can help.

Introducing Lincoln WellnessPATH

Lincoln WellnessPATH® provides you, as a Legacy Health employee, with tools and personalized steps to help you manage your financial life. From creating a budget to building an emergency fund to paying down debt, our easy-to-use online tool helps you turn information into action so you can focus on both short- and long-term goals, such as saving for retirement.

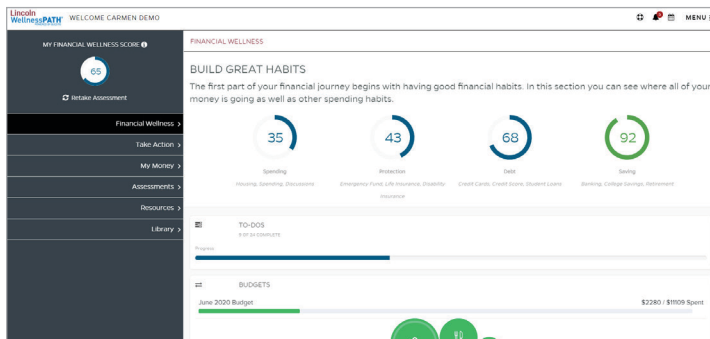

How does it work?

It's easy to get started.

1. Log in to **LincolnFinancial.com** with your username and password. (If you haven't already registered for online access, do so at **LincolnFinancial.com/Register**.)
2. From your Lincoln landing page, select any retirement plan.
3. Once in your account, look for the *WellnessPATH* banner at the top of the screen and click the **FIND YOUR PATH** button.

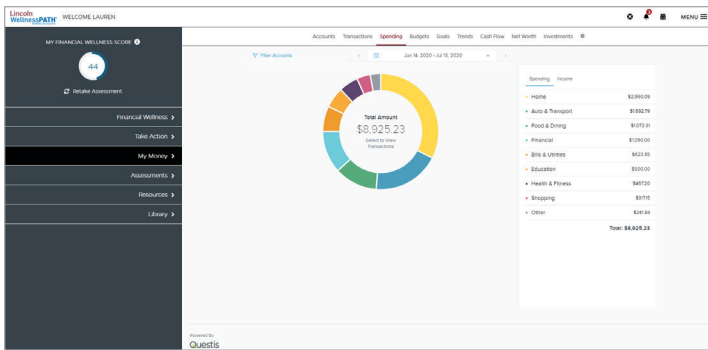

The first time you use the tool, you'll take a short quiz to help you set goals so you can immediately take action. Answer a few simple questions (such as, "Do you rent or have a mortgage?") and receive a financial wellness score that analyzes your saving, spending, debt, and protection.

Information at a glance

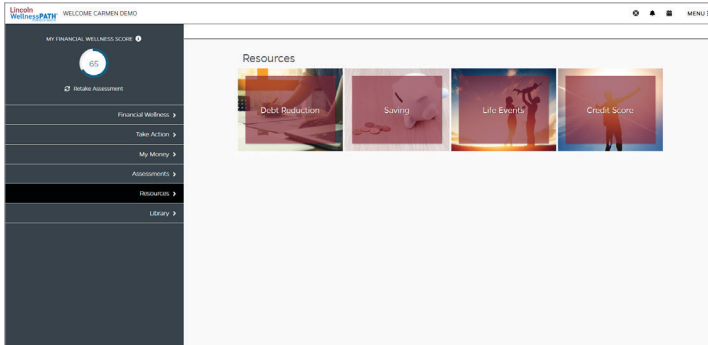

On the dashboard, quickly see whether you're on target to meet your goals. If you have areas that need improvement, Lincoln WellnessPATH helps you set and track your progress toward your short-term to-do's and your long-term goals.

Once you reach a milestone, you're prompted to set new goals to keep improving your financial wellness.
