

# Register online to maximize security

Manage and protect your retirement plan account online.

Security is important. You lock the door when you leave home, so make sure you lock up your retirement savings, too.

## Prioritize cybersecurity

How can you help keep your savings safe? Visit [LincolnFinancial.com/Register](https://LincolnFinancial.com/Register) to register your retirement plan account online. This step prevents unauthorized individuals from signing up in your place and gaining access to your savings.

### Follow these security tips when setting up your online account:

- Choose a unique username that's not your email address.
- Make your password strong by including lowercase and uppercase letters, numbers, and special characters.

Then log in at [LincolnFinancial.com/Login](https://LincolnFinancial.com/Login) to manage your account and monitor your progress. Our helpful resources and personalized tools can show you if you're on track for your goals. [Learn more about the features.](#)

## What else can you do?

Stay up to date on how to keep your online interactions secure. Check out this [interactive cybersecurity brochure](#) with videos and information on scam scenarios, how to identify threats, and tips to protect yourself online.

## Working together to protect your data

Lincoln is committed to keeping your account secure, but we need you to do your part. To learn more about our cybersecurity program, visit [LincolnFinancial.com/Cybersecurity](https://LincolnFinancial.com/Cybersecurity). If you need help registering your account, contact our Web Support team at **800-648-6424**.
